MINIS

an intimate coco market experience.

Grow With Us

Coco Minis is the intimate version of Coco Market: a curated garden gathering at SmartyPlants Nursery in Lake Worth Beach. Three Sunday mornings of gentle yoga, sound healing, flower crowns, tarot, and hand-picked local makers, with an RSVP'd community that comes to slow down and stay. Your brand isn't lost in a crowd here — it's woven into the morning itself, backed by Coco Market's full marketing reach.
